HERB SARGENT FAMILY THERAPEUTIC POOL FUND

Herb Sargent saw an opportunity to enhance the programming at the Old Town–Orono YMCA and with Herb’s support, along with tremendous community support, the Old Town – Orono YMCA was able to build a therapeutic warm water pool in 1995.

In 2006, through his estate, he gave a gift which established a fund to cover future maintenance costs. In addition, this fund’s income may also be used to pay any fees needed to help children or adults otherwise unable to make use of the pool.
