# SUMMER ADVENTURE STARTS HERE

## At the Y, summer is all about big smiles, messy hands, endless adventures, and non-stop fun!

It's where kids build lasting friendships, explore their passions, and discover a place they truly belong. From cannonball contests and nature walks to creative projects and team challenges, every day is filled with chances for campers to step outside their comfort zones and make memories they'll talk about long after summer ends.

Whether your child is joining us for the first time or returning for another unforgettable season, you can count on the Y for inclusive, affordable, and action-packed opportunities to grow, explore, and have fun all summer long. From sports to STEM, arts to outdoor adventures, every program reflects our commitment to helping youth stay active, curious, and connected to their community.

**This year, we're excited to offer both a traditional Day Camp experience with Camp Compass Root and an even wider variety of half-day specialty camps for kids hoping to dive deeper into their interests or try something completely new!**

No matter which camps you choose, you can feel confident knowing your child is spending their time off from school in safe, engaging indoor and outdoor spaces supported by our caring, experienced staff. Whether they spend a full day with us or just a few hours, campers will unplug, play, and experience a summer full of connection, creativity, and confidence they'll never forget!

### WHAT'S NEW IN 2026?

For kids hoping to spend their whole day at the Y, we've been hard at work reimagined what Day Camp looks like with our new Camp Compass Root. Campers can look forward to exciting field trips throughout the summer, new adventures, and plenty of fun in the sun with their friends!

We've expanded our Creative Explorers specialty camp series with more weeks and a wider age range, giving more kids the chance to cook, create, and experiment all summer long. We're also thrilled to introduce a brand new week, Dream Designers, for all of our young fashionistas!

And of course, no camp season would be complete without swimming and poolside fun with friends! For the first time ever, we're bringing our signature April Break Swim Camp into the summer sunshine so kids can dive into even more aquatic adventures!
