SUMMER ADVENTURE STARTS HERE

At the Y, summer is all about big smiles, messy hands, endless adventures, and non-stop fun!

It's where kids build lasting friendships, explore their passions, and discover a place they truly belong. From cannonball contests and nature walks to creative projects and team challenges, every day is filled with chances for campers to step outside their comfort zones and make memories they'll talk about long after summer ends.

Whether your child is joining us for the first time or returning for another unforgettable season, you can count on the Y for inclusive, affordable, and action-packed opportunities to grow, explore, and have fun all summer long. From sports to STEM, arts to outdoor adventures, every program reflects our commitment to helping youth stay active, curious, and connected to their community.

This year, we're excited to offer both a traditional Day Camp experience with Camp Compass Root and an even wider variety of half-day specialty camps for kids hoping to dive deeper into their interests or try something completely new!

No matter which camps you choose, you can feel confident knowing your child is spending their time off from school in safe, engaging indoor and outdoor spaces supported by our caring, experienced staff. Whether they spend a full day with us or just a few hours, campers will unplug, play, and experience a summer full of connection, creativity, and confidence they'll never forget!

WHAT'S NEW IN 2026?

For kids hoping to spend their whole day at the Y, we've been hard at work reimagined what Day Camp looks like with our new Camp Compass Root. Campers can look forward to exciting field trips throughout the summer, new adventures, and plenty of fun in the sun with their friends!

We've expanded our Creative Explorers specialty camp series with more weeks and a wider age range, giving more kids the chance to cook, create, and experiment all summer long. We're also thrilled to introduce a brand new week, Dream Designers, for all of our young fashionistas!

And of course, no camp season would be complete without swimming and poolside fun with friends! For the first time ever, we're bringing our signature April Break Swim Camp into the summer sunshine so kids can dive into even more aquatic adventures!

OUR TRAINING

At the Old Town - Orono YMCA, child safety is our #1 priority. We require all Y staff to maintain certifications in CPR/AED for Professional Rescuers, First Aid, and other essential safety trainings. As a State of Maine licensed Child Care Provider, we are part of the Maine Roads to Quality Professional Development Network and are committed to providing a wide variety of high quality, evidence-based training and development opportunities to all of our teachers throughout the year.

MEMBER RATES

Old Town - Orono YMCA Family Memberships enjoy FREE Parent & Me programming, a 50% discount on swim lessons, and substantial savings on other Y programs. Your membership must remain current throughout the entire program session/sports season to receive Family Membership rates. If you cancel your membership during the session, or change from a Family Membership to an Individual Membership, you will be charged the difference of the Individual Member + Guest rate for the full program session/sports season at the time of cancellation/change.

CANCELLATIONS & REFUNDS

The Old Town - Orono YMCA may cancel classes due to unforeseen events (ie. severe weather, power outages, unplanned maintenance and repairs, etc.) and will not offer make up options under these circumstances. In the event of planned facility closures that have been scheduled before the start of the session (ie. holidays, special events, rentals, etc.), program fees may be prorated at the time of registration to reflect the abbreviated session. In the event that classes must be cancelled due to staffing shortages, Program Directors may choose to offer a make up option or provide a system credit for the class(es) missed. No make ups or credits will be offered for classes missed due to personal conflicts; however, exceptions may be made for those with a diagnosed medical condition at the discretion of the Program Director. After the first week of programming, classes without sufficient enrollment may be combined or cancelled. In the event of cancellation due to low enrollment, a system credit will be provided.

CHILD SUPERVISION

All children under 13 must be accompanied by an adult at all times while in the Y or participating in Y programs.
