

COMING SOON!

Since 1890, the Old Town - Orono YMCA has been committed to strengthening the communities we serve by providing vibrant, welcoming spaces and engaging programs where everyone can learn, grow, and thrive.

As we celebrate our 136th year, we strive to honor our heritage and the rich tradition of togetherness woven into the heart of the Penobscot River valley while investing in critical upgrades and improvements that will help us to serve and strengthen our communities for the next 100 years.

As part of this commitment, we are excited to put our mission into action, strengthen our connections with community leaders and partners, and ensure we remain a collaborative heart of our community for generations to come through the revitalization of the former Herbert Sargent School.

As we breathe new life into this beloved space and begin a new chapter in the history of 342 Bennoch Road as the Old Town - Orono YMCA's Herbert E. Sargent Center for Community Connection, we look forward to connecting with our community and developing inclusive and accessible programs, services, and spaces where people of all ages can invest in their health and wellbeing, explore their passions, and strengthen relationships with their neighbors, family, and friends.

We look forward to the next 136 years strengthening the communities we serve,

Scott Wilcox
CEO, Old Town - Orono YMCA
